Bullying - You've heard the word but you're not quite sure how it applies to you and your children. Or maybe your child has been bullied. Many have. Sometimes it's obvious, but most often it's subtle and difficult to observe, especially if it's online or on your child's cell phone. Come learn what you need to know and what to do if your child is a target of bullying. Learn what parents need to know to keep their kids safe from cyber bullying. Also, find out what the school district is doing about bullying prevention and intervention and how parents can get support for their children. For more information contact parent.ed@lwptsa.net.
