

MATH CLUB

Thursdays, 3:05-4:05 / Oct. 1-Dec. 17
(no class Oct. 15, Nov. 26)

Math Club is facilitated by Twain teachers who follow the Explorations in Math program to show students how math is relevant to their lives. The goal is to make math fun! This fall, all grade levels will explore measurement.

Discovering Measurement (Grades 1-2): Students will be participating in a variety of activities to explore length in customary and nonstandard units, as well as work with the concepts of perimeter, area, and volume. Participants will explore perimeter and area of standard and irregular polygonal shapes, and also learn about the circumference and diameter of circles and understand the concept of "pi." Ms. Shank is the instructor.

Exploring Measurement (Grades 3-5): Club participants will explore perimeter and area of standard and irregular polygonal shapes, learn about the circumference and diameter of circles, and understand the concept of "pi." Students will have frog jumping contests, windup toy races, and will create fractional representations of each other. These engaging activities will underscore the importance of accurate and verifiable measurement. Instructor TBD.

Cost: \$40 for one 10-week session. Please make checks payable to "Mark Twain PTSA." Space is limited and will be assigned on a first come, first served basis.

Mark Twain Elementary PTSA After School Programs Refund and Behavior Policy

Refunds: A full refund will be granted to any student who withdraws up to 2 days after the first class. Otherwise, no refunds unless initiated by PTSA.

Behavior Policy: Mark Twain PTSA organizes after school programs to offer students enrichment programs conveniently located at the school. We insist that students respect the instructor and act in an appropriate manner, and that guardians be on time to pick up students at the end of each session.

If your student has behavior issues which are disruptive to the class, or is not picked up in a timely manner, we will issue you a warning. If there is a second incident, we will be forced to terminate your student's participation in the program. A refund for remaining sessions will not be granted.
